

Vacancy

HSE advisor (In-house, Fulltime)

Location Noord-Scharwoude, the Netherlands

Please note: Temporary workers/Subcontractors are not considered for the position.

The In-house Health and Safety advisor (permanent position) has the leading role in creating safety policies, assess workplaces, and advise management on ways to lower risks and prevent accidents. An exciting and dynamic role in which you will be responsible for ensuring our company complies with all health and safety regulations in the fast-growing wind industry and contribute to the ongoing evolution of Redak. The position is based in the Redak Head office in the Netherlands.

Who are you?

You're an experienced, motivated, and ambitious individual with strong leadership skills. You are based in the Netherlands, and you can develop policies and procedures to keep people safe. Your communication, networking, and teamwork skills are exceptional, and you have the ability to work closely together with different departments. You are safety minded and are motivated to help us maintain our high standard of work and safety.

Role & Responsibilities

- Providing safety management, onsite organization, and leadership to teams on various projects.
- Create Health and Safety documents.
- Investigate and report observations, near-misses, and accidents.
- Provide guidance in how to comply with the law.
- Take responsibility for health-related projects, such as organizing training for staff.
- Carry out risk assessments and site inspections.
- Identify potential hazards and determine ways of reducing risks.
- Liaising with external health and safety authorities.
- Keeping up to date and ensuring compliance with current health and safety legislation according to ISO 9001, 14001 and 45001.

Profile

- Accredited Health, Safety and Environment diploma (HBO level).
- Previous experience in similar role.

- Experience in the wind industry is a pre.
- Comprehensive knowledge of work techniques and legislation.
- Strong analytical and problem-solving skills.
- Keen eye for detail.
- Valid drivers license.
- Motivated, ambitious, and willing to grow.
- Productive mindset.

What we offer

We offer an environment where people feel comfortable to share ideas and thoughts and embrace a workplace where all people can thrive and continuously grow. You will become part of a young and dynamic team in a fast-growing industry. A suitable salary and attractive benefits are included.

Are you ready to climb that wind turbine and embark on a journey with us? Email your cover letter and resume to work@redak.nl.

Additional information

Work location is in Noord-Scharwoude, the Netherlands.
